It has been so fun welcoming back our Cougar Ridge students! This month has been really busy, but also full of smiles as students are finding lots of enjoyable reading material.

K & 1st

Kindergarten and 1st grade have been enjoying some great new picture books.

They are also learning how to choose books of interest from the *Picture Book City* area of our library.

2nd & 3rd

Second & third grades have been busy reviewing the routines and expectations of the library. In addition, they have been enjoying some new books that have been added to our library this past summer.

4th & 5th

Fourth & fifth grades are learning how to use our library catalog to find what they are looking for. Also, students will be learning how to access SORA, an excellent resource for free eBooks and audiobooks.
